Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia

Dear Sir:

I would like and extension for patent application 09/927,029—Reflective Decorative Cane. I have talked to a patent attorney and we need more time to make changes suggested by the examiner. I have talked to Ms. Winnie Yip. Enclosed is a check for \$55.

Thank you.

Yours truly.

Anne Countryman
